

**DETERMINATION AND REPORT OF THE REMUNERATION TRIBUNAL**

**ALTERNATIVE VEHICLE REQUEST – MAGISTRATE McGRATH**

1. The Remuneration Tribunal has received a request from Magistrate J McGrath to obtain a Hyundai iMax Shuttle 0 2.5 CRDi Diesel – 8 Seater Auto from Fleet SA, which is not in the schedule of vehicles in current Conveyance Allowance Determination No 3 of 2011 for Judicial Officers. The request is due to her family circumstances as none of the vehicles listed provide enough seating capacity to accommodate her family responsibilities.
2. The Tribunal has dealt with similar requests in the past.
3. The Remuneration Tribunal has considered Magistrate J McGrath's request. Having regard to similar circumstances dealt with in the past, the Tribunal has no objection to the proposal. However, as the requested vehicle model is not in the schedule of vehicles in the current Conveyance Allowance Determination of the Tribunal, the Tribunal makes this specific determination to allow Magistrate J McGrath to be supplied with a Hyundai iMax Shuttle 0 2.5 CRDi Diesel – 8 Seater Auto.
4. Magistrate J McGrath will be required to pay any difference between the amount determined from time to time by Fleet SA as the annual charge payable by Executives for a Holden Commodore VE Omega Sedan, less the sum of \$758 and the amount determined from time to time by Fleet SA as the annual charge payable for a Hyundai iMax Shuttle 0 2.5 CRDi Diesel – 8 Seater Auto, less the sum of \$758.
5. All other conditions of the current Conveyance Allowance (Determination 3 of 2011) as amended from time to time continue to apply.
