

DETERMINATION AND REPORT OF THE REMUNERATION TRIBUNAL

TELEPHONE RENTAL AND CALLS ALLOWANCE

The Tribunal's Report Relating to Determination No. 2 of 2000 for members of the Judiciary, members of the Industrial Relations Commission, the State Coroner, Commissioners of the Environment, Resources and Development, stated at paragraph 5.6.2 that "the Tribunal is not prepared to vary the current prescription other than to provide for reimbursement of official mobile telephone calls."

Accordingly the Tribunal determines that Clause 4 of Determination No. 2 of 2000 is amended as provided for in this Determination.

1. When a person to whom this Determination applies is required to have a telephone at home for official purposes, that person shall be paid the whole of the telephone rental for a single point connection without extra services and one third of the cost of metered local calls. Reimbursement should be made for international, STD and mobile official calls on the basis of actual costs incurred.
2. The provisions prescribed in Clause 1 hereof are operative on and from 1 February, 2001 and supersede those of all previous Determinations.
